An additional 20% shall be charged for residences of three or more units and all other non-residential buildings.

Plan Check fees for production construction will be 50% the normal plan check fees after the first constructed building (model) of each type or design. No other changes can be made to the original planned construction or design of the building, or the full plan check fee will apply.

An hourly fee may be charged for plan check services, at the discretion of the Community Development Director, to ensure 100% recovery of the City's fully burdened cost for providing the service.

Sec. 536. FEE REFUNDS

The City Manager, or designee, may authorize the refunding of any fee paid hereunder, which was erroneously paid or collected.

The City Manager, or designee, may authorize the refunding of not more than 80% of the permit fee when no work has been done under a permit issued in accordance with the applicable code. Where refunds are allowable under this paragraph, the City Manager, or designee, may refund less than 80% of the amount paid if substantial staff time has been spent on processing the permit.

The City Manager, or designee, may authorize the refunding of not more than 80% of the plan check fees paid when an application for a permit for which a plan review fee is paid is withdrawn or cancelled before any plan review effort has been expended. The building official shall not authorize the refunding of any fee paid except upon written authorization filed by the original permittee not later than 180 days after the date of fee payment.

The City Manager, or designee, may waive permit fees for affordable housing rehabilitation achieved through San Mateo County or Redevelopment Agency programs or through non-profit agencies
